Dempsey No Piker-Dave Mackay's New Show

By W. O. McGeehan

At the time of going to press Jack Kearns had reduced his demands Crimson Rowing, Hockey for Jack Dempsey's services to an even half million, and promoters in Only Two Choices Score and Baseball Schedules the United States and Europe were still groggy. C. B. Cochran, the for Season Announced English promoter, was the only impresario who retained the powers of speech, because he had not yet heard of the modest offer of Kearns. CAMBRIDGE, Mass., Dec. 18. The He offered some loose change for the bout, something like \$300,000

Indications are that this financial conversation will be looser and freshman crews will compete on the looser in tone until the mention of a million or so does not get a tumble. the track was far from being good at It must be remembered that Jack Dempsey is now doing a William Hart Oriental Park to-day. The uncertain ti for some Los Angeles moving picture concern. Jack Kearns figures that going caused many upsets, only two next fall. The committee is scheduled keeping the name of Dempsey in the papers by making requests for a million or so at a time is much easier than keeping the champion in fight-

and waiting. Being well versed in the great American indoor game of noker, Mr. Rickard is a good waiter. When the talk of millions sinks into a hoarse and feeble whisper it is highly probable that Rickard may attempt to sign Dempsey and Carpentier and the total purse will not be quite as big as the German national debt

A little while ago I wrote something about the deficit of "logical, contenders" in the lightweight division. This brings a letter of protest

"I am at a loss to know why you overlook Eddie Fitzsimmons, of Yorkville. Right here in the heart of the city we have a man with whom Leonard would have more than his hands full. Why do they have to travel all the way across the continent to find a good opponent? It is a positive fact that Eddie has more bouts cancelled on him than any other lightweight in the country.

"Fitzsimmons has fought and knocked out men with whom Leonard has had considerable trouble. Eddie has dropped men like Preston Brown, Eddie Wagond and Harry Carlson, and he gave Paul Doyle a beating in Boston. He was matched to meet Pinkey Mitchell at the Newark Sportsmen's Club next Monday night, but again he is stalled. Mitchell claims that he should have more money.

Joe Benjamin, the California lightweight, who has been learning his trade from Billy Gibson and Benny Leonard, the lightweight champion, is matched with Mickey Donley. The legend is that Benny Leonard knocked out Mel Coogan merely to illustrate for the benefit of his pupil Joe Benjamin, just how a man should be knocked out. Joe Benjamin is said to be anxious to demonstrate that he has taken the lesson to heart

Frank Moran will attempt to show that he is once more entitled to a little of the limelight in which he used to bask. Frank is matched with one Sergeant Jack Burke, who was unlucky enough to get himself knocked loose from his pinnings in forty-nine seconds last week. Charles College of Brooklyn five. The Blue Francis will attempt to knock him looser and in less time.

Joe Lynch will meet Joey Fox, the Englight featherweight, who this year and intends to make a strong holds the Lonsdale belt for his division. This is another of those international affairs, and Joey Fox may find that he is making quite as tough in the intercollegiste an experiment as Wilde did when he started after Jack Sharkey. Lynch

of the record made by our store at Cooper Square. Since January 1st, 1915, the sales have increased more than twelve hundred per cent. Our Broadway and Brooklyn stores have done well, but it is the Cooper Square store we want to speak about

When we consider that the store is located away from the general shopping district the growth is remarkable.

How do we account for it? There is only one answer.

It is not due to advertising, in the generally accepted sense of that term, because we have done no general advertising until the last three months. It IS DUE TO ADVERTISING in another sense -the advertising done by satisfied customers telling friends about us.

We have given more for the money than any other clothing concern in town. Better values in material, better tailoring, linings, and style, than others have given in clothing of equal price. And during the present scramble to reap unboly

profits from the public's general acceptance of high prices we have still further reduced our margin of profit in order to sell at moderate prices. THIS is the reason for our steadily increasing popularity, and we are proud of the reason.
